## 1. ABOUT US

**Quality excellence of our rugs and carpets is our founding value** and our business card that we look for in every phase of the work: from the idea, to the project, from the design to the choice of materials, from manufacturing to testing and certification.

BASED IN MILAN,  
COLLABORATIONS WORLDWIDE

With headquarters in **Milan** and branches in **Dubai** and **Hong Kong**, where the commercial and production offices are located, **Luxury Carpet Studio** covers the entire global market in retail, yachting, hospitality and residential.

## 2. COLLECTIONS

Four Collections: [Bespoke](#), [Outdoor](#), [Yacht](#) e [Luxury Standard](#).

Luxury Carpet Studio works in particular on custom-made projects, creating unique and personalized pieces.

## BESPOKE COLLECTIONS

Complete **customization** is our feature: for our customers we love to create **precious handmade masterpieces made on project**. A wide variety of decorative themes: nature and its manifestations, animals, historical and artistic references, geometric and chromatic games, juxtapositions of shapes and materials and art itself are the subjects that inspire us the most.

## YACHT COLLECTION

**We work for years with the most important shipyards and we have a dedicated business unit.**

A collection focused on the concept of custom, made to measure. A hand-made collection with a deep technical and aesthetic know-how.

### 3. SUSTAINABILITY

**Luxury Carpet Studio searches for quality at every stage of production** starting from the selection of materials. Wool, silk, various mixes of noble materials, solution dyed nylon , [\*\*innovative and recycled fibers\*\*](#) with the best performance and exclusive aesthetic potential. **We are constantly focusing on environmental respect and needs of the circular economy.**

#Recycled

## OUTDOOR COLLECTION

A collection with a strong approach to design that stands out for its material and three-dimensional appearance.

**Handmade** with the care and attention typical of craftsmanship, using **resistant and waterproof ropes**.

## 5. TECHNIQUES

**Ensuring the highest quality standards,** our team is able to distinguish the structural characteristics, potential and performance, **proposing the most suitable type of weaving for each project:**

- a. Handtufted
- b. Hand Knotted
- c. Handloom
- d. Axminster/Wilton

## 6. CERTIFICATIONS

Luxury Carpet Studio products are **covered by the CE mark and tested by International Institutes** to ensure and certify compliance with international fire response regulations (Europe, UK, USA, Russia).

**The company is proud to offer its customers only rugs and carpets of value, safe and certified.**

**All tests, both qualitative and quantitative, are carried out for our products before each order and delivery.**
